COMPANY OVERVIEW

About Us

EYE SIGHT OPTICAL AND MEDICAL CENTRE LTD's focus rotates around optical health and wellness. The urge to avail ideal optical procedures and quality accessories that would champion the optical dream of the company's visionary necessitated the composition of the company which stands out as one of the most competent medical outlets in the entire resident county and by extension the lake region.

OUR PROCESS

Mission

We are committed to being approachable by improving our availability, increasing patient choice, improving on convenience and investing in the latest technology for faster optical intervention.

Vision

To spread optical health, promote better eye care and facilitate their accessibility

CAMPANY VALUES

Customer Satisfaction

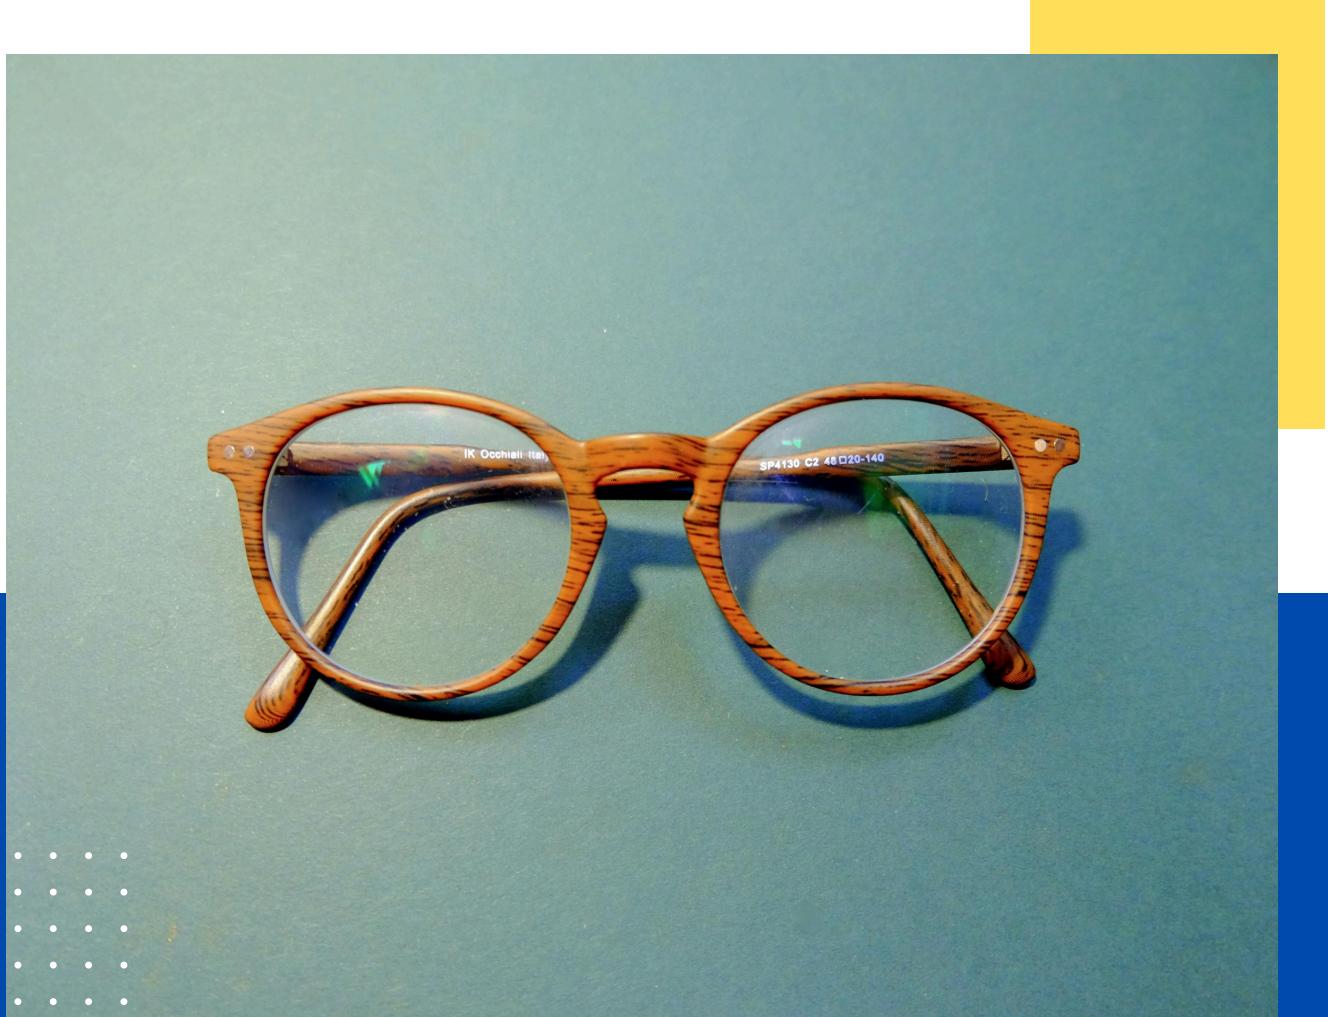

This is top in our list of priorities when customers are able to earn value for money.

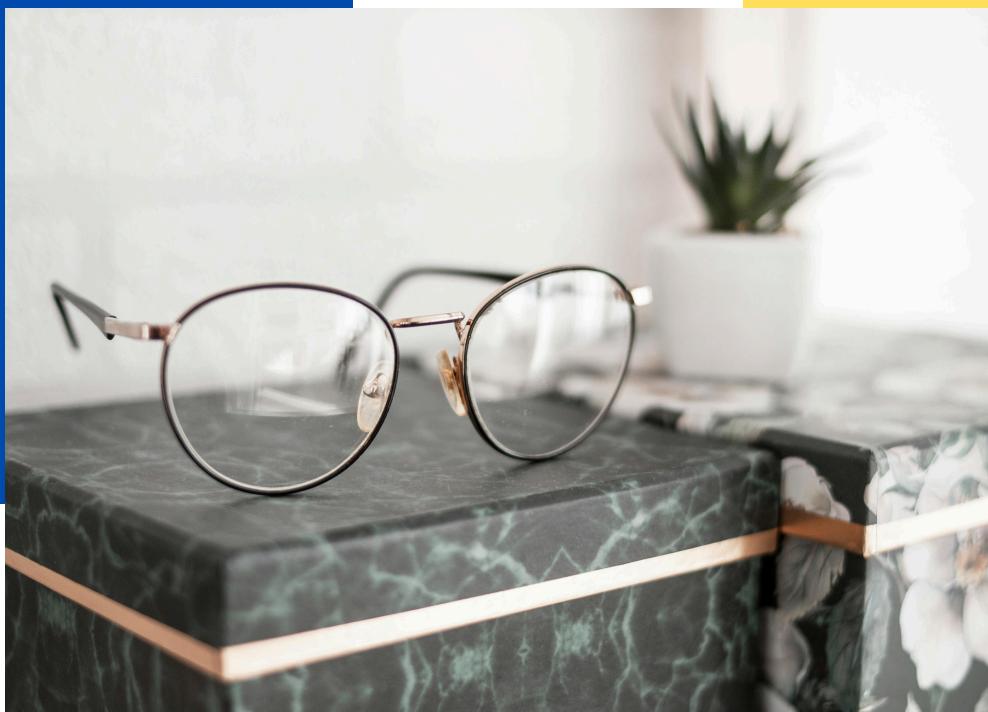

Quality

Eye Sight Optical And Medical Centre Ltd prides itself in dispensation of high-quality services and products for both customer retention and multiplier effect.

Convenience

On account of ensuring enhanced service delivery, we labor to redefine convenience in our operations to provide our clients with readily available procedures.

WHAT WE DO

Eye Sight Optical And Medical Centre Ltd incorporates application of software solutions with digital clinical tools pivotal for efficiency and continuity of care through connection of eye care pathways.

- Clinical decisions by Eye Sight Optical And Medical Centre Ltd are widely derived from superior quality data.
- Availability of wide spectrum of both eye glasses and sun glasses for men women and children is one of the advantages and services that we offer at our premises which is definitely a cut above the rest of the providers.
- Diagnosis and prescriptions at pocket friendly rates
- Contact lenses, magnifiers, lamps and low vision aids.

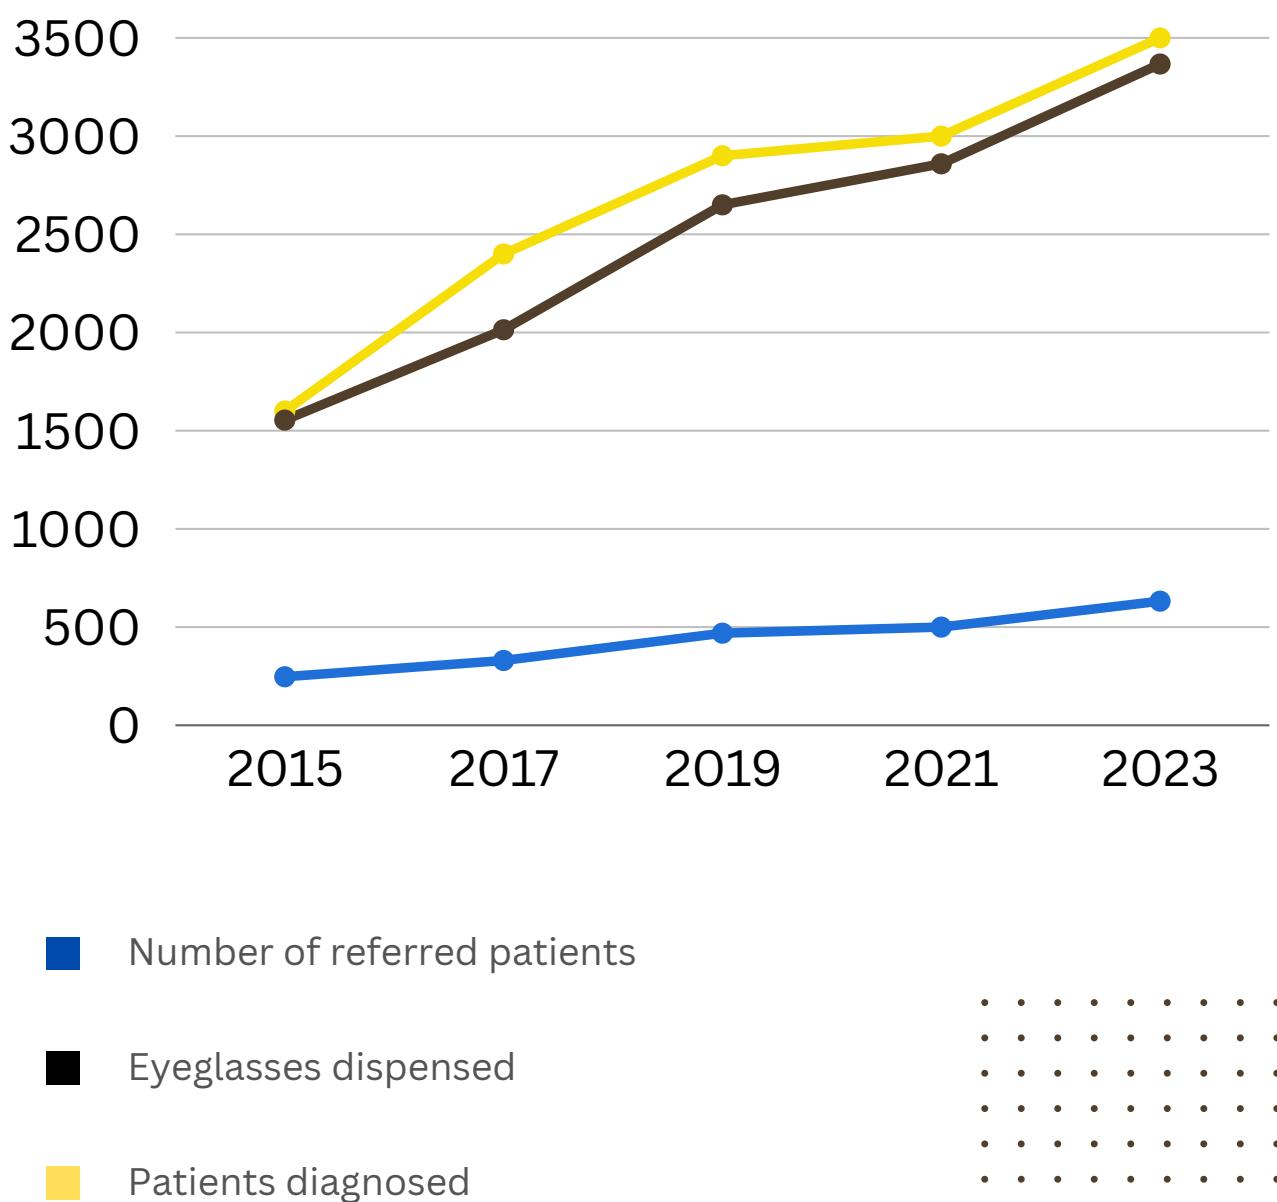

Eye exams and visual work compliance care

- Retinoscopy, slit lamp, glazing and repairs.
- Minor surgery for cataract and medical services for glaucoma, diabetic retinopathy and age-related muscular degenerations.

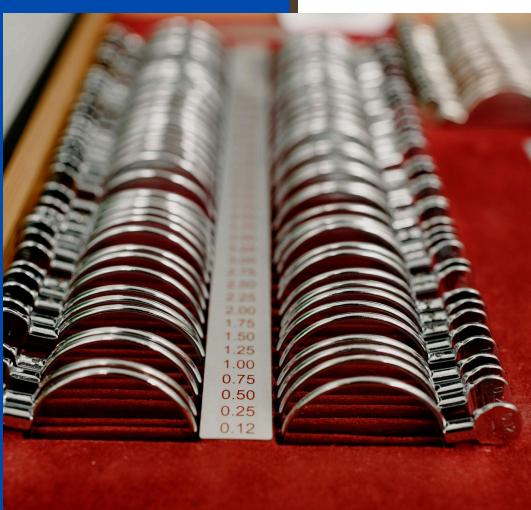

The facility occasionally conducts medical outreach programs for intended clientele. We look forward to reaching out to a wider market audience including schools, the public sector and private entities both at individual and corporate level.

COMPANY CHART

The company endeavors to extend its operations far and wide across the lake region counties of Siaya, Kakamega, Homabay, Migori and Kisii. We also look forward to providing a wider range of payment options for our esteemed clients aside from cash. These includes Mpesa, Individual NHIF Insurance, Individual Private Insurance for employees and civil servants as well as group life for corporate entities. We also anticipate to offer a wider range of designer products that would best fit each client's specifications and preference.

BUSINESS OVERVIEW

Branch Network

Consistently with undivided devotion, Eye Sight Optical And Medical Centre Ltd has extensive programs in its growth strategy to unlock the market potential in other regions by opening its branches in other regions in order to serve the ever-growing clientele base across diverse regions.

Partners

We are proud to be associated with the following distinguished Medical facilities:

- Avenue Hospital Kisumu
- Jaramogi Oginga Odinga Teaching and referral Hospital Eye Clinic
- Kisumu District Hospital
- Sabatia Eye Hospital
